## INCLUSION SUPPORT

We want all children to be safe and supported at MegaBuzz! If you have indicated that your child requires additional support **please be sure to check in with the Inclusion Support team each day** on arrival to meet them.

## SIGNING IN AND OUT AT MEGABUZZ

To ensure the safety of all attendees we will be following a strict sign in/out process.

Upon arrival, all children will be given an ID lanyard. **This lanyard is their ticket into the program and must be worn at all times and brought back each day.**

Parents will receive a corresponding parent card which must be presented at pick up. Without citing this parent card (a photo of the card will be acceptable), children will not be released.

We appreciate your support with this procedure and ask you to arrange for anyone who may pick up the child to be sent a photo of the parent card.

## OUR VALUES

We are committed to all our children having a fun and safe experience at MegaBuzz. To this goal, we will be communicating to all attendees an overarching value of Respect for God, People and Place. Where children are unable to adhere to these values and are putting themselves or others at risk of harm, we may request additional support from parents or require parents to pick up their children from the program.
